Description about the event:

Sophia Almeida delivered that Pharmacy profession is always a choice of preference for the medical aspirants. There are many other medical or paramedical courses but from career opportunities point of view, the profession of pharmacy provides many job opportunities in this field. Now a day's pharma industry and profession are experiencing rapid changes due to advanced technological innovations and ideas sweeping across the world. Hence these changes give better opportunities to the pharmacy profession and it is imperative to evolve a Pharmacy academic programme that suits the basic thirst of the nation like providing medicines at affordable prices, community health care etc.

She has given information regarding General Job opportunities for a Pharmacy Professional:

- Pharmacist (Industry/Hospital/ Clinical/ Community)
- Pharmacoepidemiologist/data analyst (latest emerging field)
- Retail/ Wholesale Chemist/Druggist Business
- Preparing Prescription to Patients (not allowed in India)
- Drug Therapist
