About the Committee:

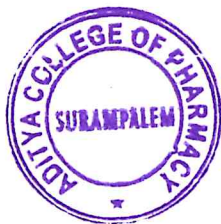

Aditya College of Pharmacy [ACOP] fosters an atmosphere that welcomes opportunities from all directions. It is situated in a beautiful, verdant location that is environmentally friendly. It has a long history of maintaining and preserving beneficial environmental practices, such as recurrent planting. The institute coordinates a number of public awareness programmes and motivates individuals to engage in environmental activities. The institute has developed a committee to actively manage and conserve the better environment, with staff and students participation.

Objectives of the ECO-CLUB:

- To enhance students comprehension of the significance of the environment and the repercussions of environmental destruction.
- To motivate students to take an active role in environmental conservation initiatives.
- To use plenty of contemporary methods to instill environmental studies with a moral sensibility.
- To encourage the students to engage in reduce, reuse, and recycle.

Undertakings of the ECO-CLUB:

- Endeavours conserving the environment
- Initiatives to raise awareness about plastic-free programmes.
- Organising charitable cleanup campaigns for the campus's exterior and adjacent areas.
- Setting up tree-planting initiatives for environmental resilience both on and off campus.
- Organising events to instill a green environment habit in the workers and students.
